

## **Herstyler Hair Mask**

If you want hair that is soft, manageable and silky smooth, the **Herstyler hair mask** is ideal. Not only does it work to rejuvenate dry, damaged and color-treated hair, but it is easy to use and only takes a few minutes of your time. Try this **natural hair mask** for yourself and experience the difference it can make in your hair.

### PROFESSIONAL SALON TREATMENT:

Use this **deep conditioning hair mask** every time you wash your hair to leave hair feeling smooth and manageable for a fraction of the cost of going to a salon.

### REPAIR AND RESTORE:

Take your brittle, coarse and damaged hair and instantly transform it into hair that looks and feels amazing, with the help of this **hair mask for damaged hair**. It instantly goes to work repairing and restoring your hair to erase damage.

### DEEP CONDITIONING:

Tired of trying to detangle your hair after washing it? The **Herstyler hair mask** will leave you with tangle-free, manageable hair that looks and feels amazing. You'll love being able to strengthen and detangle your hair all at the same time.

### NOURISH HAIR:

Regardless of whether you have permed, curly, or natural hair, this hair mask is loaded with all the essential nutrients and vitamins your hair needs to grow strong and healthy. The Argan Oil promotes manageability and strength.

### EASY TO USE:

If you want a product that is easy-to-use and only takes a few minutes of your time, this **hair mask for damaged hair** is it. Massage a generous amount of the **natural hair mask** into your hair. Allow the product to settle for about 5-8 minutes. Rinse with cool water.
