

## **iPhone6 Case**

**Vintage Series Design:** A beautiful weathered appearance produces a sleek and elegant design that emulates a classic trend. Clad with premium leather to create a smooth texture upon touch and an outstanding vintage style appropriate for men and women.

**Comprehensive Protection:** X-Level premium cases are created with a minimum thickness of 0.1 mm to provide maximum protection for your phone. This **iPhone 6 protective case** is designed to prevent abrasions and scratches to an **iPhone 6/6s** as well as protect its camera lens.

**Slim Fit Case:** This lightweight accessory was developed to fit tight to the conforms of the **iPhone 6/6s plus**, while still providing easy access to all of the buttons, ports and available features without sacrificing any protection for the mobile device.

**Soft Touch Coating:** Both the inside and outside of the **leather iPhone 6 case** is lined with innovative Soft Touch Coating to create an ultimately smooth feeling upon contact. Ideal for maximizing the comfort of your hand-held device.

**Easy Slip-On Function:** The X-Level **iPhone 6 case** design makes it easy to slip the **iPhone 6 protective case** on and off as required, yet it is still capable of maintaining a firm fit when in use. Perfect for frequent handling in and out of pockets.
